WARNING : if you em alguns jogos , desatif o login automático da PLAY GAMES, se não sabe como, clique aqui PLAY STORE LINK DOWNLOAD APK + OBB Jogo esta desatualizado ? Deixe um comentário avisando-nos! SIGA-NOS TotAL RPG (Towers of the Ancient Legion) (MOD Unlimited Ruby) - a quest adventure that takes players to distant lands. Legions of monsters, emerging from the underworld, settle in tall towers and gradually expand the boundaries of their power, destroying all life on earth. Many legendary knights tried to fight them, but all fell to brave death. It is your time to challenge death itself and emerge victorious. One of the game's features is the ability to go offline, which is that you don't need to have an internet connection. Your knights must go to the top of the huge tower, as well as destroy evil, while constantly improving your fighting skills. It should be noted the variety of opponents: there are a large number of different types of creepy monsters and hybrid creatures from different military affiliates. Characteristics: hardcore gameplay with lots of interesting features;a wide variety of artifacts with magical features;various loot that can overcome trials;a variety of very complex missions. Installation Instructions: download your .apk file: install .apk; (if there is no access to the installation of .apk files from an unknown site, navigate to Settings > Security > Unknown sources check the options and tap OK on the command message); download data for games (zip archive); unzip the data in Path: /sdcard/android/obb/com.tzargamestudio.endless/ launches the game. Ролевые Ролевые Ролевые Ролевые Ролевые Ролевые TotAL RPG 1.15.1 Description TotAL RPG (Package Name: com.tzargamestudio.endless) was developed by Tzar Games Studio and the latest version of totAL RPG (Towers of the Ancient Legion) 1.15.1 was updated on December 3, 2020. This app can be downloaded on Android 5.0+ on APKFab or Google Play. All APK/XAPK files in APKFab.com original and 100% secure with fast download. Be the most powerful warrior liberator of the great tower! Join the battle in this classic style Action RPG!- Play for free! No delays, limitations, charging!- The game doesn't require the internet, play offline anytime!- Intense, epic battles in real time: Battle with epic bosses, Improve your hero's characteristics and skills - choose your style; Unlimited upgrades to weapons and armor in blacksmiths - collect the best equipment!- Collect a complete set of artifacts and receive his mighty powers!- Over 50 amazing types of weapons, armor and other equipment. complete and gift gifts after completing the basic level you can advance further and further to the floor - up to infinity. The difficulty will increase with each floor completed. How high a floor you can reach depends only on you! Reach sublime heights in this new dungeon RPG - a game for fantasy action RPG fans! Add a new item that can be found on the chest. The game takes your players on an adventure as you reach new levels, the challenges increase. The look of TotAL RPG is not a spectacle, especially when compared to other genre titles. Nevertheless, this more simplified visual proposal does not jeopardize the overall experience with the game. Controls don't require a lot of skill from your players, so if you're familiar with action games, you won't have any trouble assimilating the game's mechanics. One point that interferes with gameplay, is that the character only performs attacks if the target is within a certain distance. Most of The Total RPG gameplay, it's quite repetitive, which can drive away some players who appreciate better story presentation or greater character exploration. In this case, the game really went very badly. Ultimately, total RPGs end up offering below-average experiences of what we have in similar games, but that could be a good alternative for those with slightly simpler devices. Don't expect a great RPG, but rather a simple action game. Simple.
